

2017 LWGA Batti Scholarship Winners Announced

The LWGA is proud to announce co-recipients of the 2017 Dick and Linda Batti Scholarship are Camille Simon of New Orleans and Brooke Duzan of Sulphur.

The presentation was made by LWGA Junior Director Sandra Smith at this year's Junior Championship held at Gray Plantation in Lake Charles July 11-12.

Both young ladies are graduating seniors who have shown academic excellence, good citizenship, good sportsmanship and community involvement—all criteria to be considered a scholarship recipient. Both have been longtime supporters of the LWGA and its events and both will be playing golf in college.

Simon, the daughter of Traci and Cantrell Simon, will be attending Harvey Mudd College in Southern California to pursue computer science and play golf. Camille is a graduate of Benjamin Franklin High School in New Orleans.

Duzan, the daughter of Stacy and David Duzan, will play golf at Lamar University in Beaumont, Texas. She is a graduate of Sulphur High School.

The two scholarship recipients were teammates on the 2016 Louisiana Tri State Junior team that set a record-number of points in winning the annual competition. They did so on the famed Old Waverly Golf Course in West Point, Mississippi.
