

LOUISIANA WOMEN’S GOLF ASSOCIATION

Dear Fellow Louisiana Golfer,

Since 1925, the LWGA has promoted women’s golf in our state by conducting championships, which encourage the development of amateurism, sportsmanship, and skill in the game for all ages, not to mention camaraderie among golfers statewide.

We hope you will join us by becoming an LWGA Individual Sponsor, which provides a chance for all of us to support our state organization. The \$25.00 IS membership will enable us to send entry forms to your home address and help cover the printing and mailing costs. This year, we added IS membership categories for those wishing to give more generous support, including our Junior Girls program, Junior and Senior Tri-State teams and USGA State Team.

Please refer to the reverse side of this card and join us, demonstrating your pride in our LWGA and everything it does for the game we all love.

Sincerely,
LWGA Officers and Board of Directors
